

## **Rep. Dan Burton Releases Web Video about "Cap-and-Trade"**

Today at 10:30am, followers on [Twitter](#) and friends on [Facebook](#) got the first look at Rep. Dan Burton's new web video entitled "Two Roads: Cap-and-Trade vs. Common Sense." The video frames Rep. Burton's fight against the Democrat's \$846 Billion national energy tax plan, and how he supports using America's resources and ingenuity--not extreme tax hikes--to achieve energy independence.
